

For the next few weeks leading up to the start of spring breeding season we will feature some purebred seedstock producers in the area that have bulls for sale. This week we will feature ranches that raise Black Angus cattle.

Lesikar Ranch of Athens, Texas has a group of purebred Angus bulls for sale. These 18 month old bulls are all OCC bred. For more information contact the Lesikar office by calling (817)738-2177, or contact ranch manager Tom Baker at (214)577-0958 or bakerranches@gmail.com.

5T Land and Cattle of Mabank, Texas has a group of 14 month old purebred Angus bulls for sale. Birth weights and weaning weights are available on all bulls. The owners at 5T strive to breed for good, functional Black Angus cattle. For more information, call owner Dennis Thomas at (903)880-6575, ranch manager Dave Rademacher at (903)340-9031, or visit their website: 5tlandandcattle.com
